About HBI

Healthy Buildings International (HBI) are worldwide leaders in Indoor Environmental Consultancy, specialising in delivering Health, Safety and Environmental compliance solutions to a wide range of organisations across the UK & Europe. We have a prestigious client base and our work often takes us through highly varied and impressive building portfolios.

Our core consultancy services are incredibly diverse and range from Indoor Air and Water Quality Surveying, Legionella Risk Management, Fire Risk Assessment, to Occupational Hygiene, Asbestos Management Solutions and Environmental Services. Please visit www.hbi.co.uk to view further details of the consultancy services we provide.

Legionella Risk Assessor

We are looking to recruit two dedicated Legionella Risk Assessors / Environmental Consultants who will be based either from our head office in Reading (Southern England) or within our Northern operations Team (Northern England). These exciting opportunities are a unique chance to develop your consultancy expertise in the Health and Safety Compliance sector.

Full training will be provided in other aspects on Environmental Consultancy, both in-house and via external qualifications & CPD- essential in our legislative-driven marketplace. These include some of the disciplines below:

- Indoor Air Quality (IAQ) Inspections
- Fire Risk Assessment & Fire Safety
- Asbestos Surveying

In addition, you will be actively involved in the following important areas of our business:

- Scientific report writing
- Technical client account management & liaison
- Developing knowledge and skills using our online compliance & reporting system

Experience Required

Applicants must have a recognised Legionella Risk Assessment Qualification (P901, WSoc etc) and be able to demonstrate experience and competency in conducting Legionella Risk Assessment in a variety of building types. Other asbestos / fire proficiency qualifications will be an advantage, as would other Health and Safety qualifications. Applicants must have a full driving licence as the role can involve a considerable amount of field-based travel.

Why Join HBI?

Enjoy the benefits of working in a flexible, diverse and friendly consultancy, in a cutting edge and fast moving industry. All field-based staff are provided with a company vehicle (For work & private use), Full Travel Expenses and lunch allowance, 28 days holiday per year (inc. Bank Holidays). An optional company Pension Scheme and Private Health Insurance are also available. We also offer regular progress and career reviews as well as on-going CPD investment and opportunities to all staff. HBI are Equal Opportunities Employers.
